

7.3.1

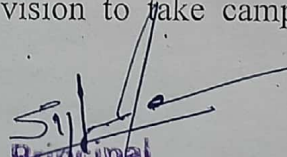

With the key line "Bahujan Hitay Bahujan Sukhay" Gram Yuvak Mandal Bhansuli (Peth) placed a plant of Athavale College of Social Work in 1992. This plant now turn a gigantic tree. The vision behind establishing this college was to bring the weaker section of community by educational point of view in main stream of educational upliftment. The college started in 1992, since the beginning the college is abide with pay back to society. The college is itself a course of social work hence the hammering of values of social service have been going on since it started. The students from different walk of life come to take the wisdom, knowledge and consequently carrier opportunity from this college. Now a day college is running different courses in interdisciplinary stream of education Besides, there is center for Yashwantrao Chauhan Maharashtra Open University where the courses for humanities are being conducted take advantage of this course. There are many opportunity for the students in social work and humanity stream as well. Besides the curricular knowledge students get the moral, ethical, value education and self-disciplinary knowledge from this college. They become a human to service in the community. The community get the indirect impression of the students social behaviors to foelows. This college meet its vision in not only social custom, tradition, culture but also development the patriotic zeal among the students. The unity and fraternity is basic values of the tradition of this college. The students from the college undertake to abide the principle of unity and fraternity prior to the all aspects of the his individual life.

This college develop the patriotic zeal for Nation However the values of humanity cannot forgotten. This is a great achievement of this college to mention here. The college look at every field of human interest like sport, music, painting, poetry, literature, cultural conservation etc. for that various committees and cell are executing the work in different walk of life.

Reinforcing the gender equality and woman's education the college is marching towards the upliftment of woman. The woman and girl students are prior to development index.
